The BOOTH FAIRY

EXPERIENCE

■ menu offerings ■

When participants meet the Booth Fairy she offers them a choose-your-own-adventure menu. Here are some examples:

ADVICE (good or bad)

We're usually running low on bad advice because it's so dang popular! **BUT!** People also find themselves surprised at the fact that they actually would love the chance to share what's in their hearts or minds. it's like therapy on the go!

GLUTEN FREE HUGS

Group, Awkward, Bear & Side

STANDING OVATION

Having a blah day? Down in the dumps? Receive a big dose of good vibes when you stand on our mini stage and get the standing ovation you deserve!

TRUTH OR DARE

A real crowd pleaser.

Pick a truth and we'll move quickly into vulnerability and surprise. Choose dare and step into the wild unknown.

TEACH US A DANCE MOVE

Who doesn't want to learn a fresh dance move?

MAGICALLY QUIT SMOKING/VAPING

Ask us how to easily drop the habit

GONG HIT

No, not a bong hit! We have an actual gong and **YOU** get a chance to hit it Nobody doesn't want to hit a gong!
